5-WEEK PRAYER COUNTDOWN

WEEK 2 GOD PROVIDES!

Drought and Flooding

Drought and flooding in the Birgonj region:

Chamak, a farmer in Bangladesh, finds work whenever and wherever he can to provide for his family. However, earning enough money to provide for their needs adequately is difficult.

Chamak's family lives in the Birgonj region, where they have suffered from drought and flooding, severely impacting food availability and quality.

Chamak's two children were malnourished and not receiving the nutritious food needed to thrive and grow healthy. Thankfully, the children are now in our partner's Nutrition Program, where they receive meals at school. This family also received a box of Feed the Need food.

Points of Prayer

As a family pray over the following throughout Week 2 of your Feed the Need campaign.

- Pray the Lord would continue to provide for Chamak & his family. Pray for our hearts to be filled with generosity when we have much and others have little
- Pray that our food would be a blessing and would provide significantly for many families like Chamak's
- Pray for salvation for every child in Osmanpur's Children's home

Verse of the Week

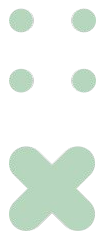

"You have been a refuge for the poor, a refuge for the needy in their distress, a shelter from the storm and a shade from the heat."

Isaiah 25:4

Discussion

- We live in a place with many opportunities to earn enough money to pay for the support of our families and, for many of us, vacation. Describe your last vacation or road trip. Where did you go? What did you do?
- Consider Chamak. Do you think he gets to take a vacation or time off from work?
- What do you think will happen if he takes time off from work?
- Reread Isaiah 25:4. How can you be a "refuge for the poor" today through Feed the Need?
